

## 12- Community Profile Reflection Wrapper

**Essential Question:** What are the compelling needs that I have discovered in my community and how can I describe that need to my peers, teachers and community?

Name \_\_\_\_\_

Class \_\_\_\_\_

Team members: \_\_\_\_\_

Date of Presentation \_\_\_\_\_

Use these questions to reflect on your learning:

1) What do you think was the strongest aspect of your presentation?

Why do you think it was good?

2) What do you think was the weakest aspect of your presentation?

What is your reasoning?

3) How could you improve the content and delivery of the information?

4) Choose one suggestion from the critiques that you would implement to improve the documentation of your project.

5) What did you learn from creating and presenting this proposal?

6) What is your anticipated grade for this presentation? \_\_\_\_\_

What is your reasoning?
